

Trump 'Em

Goals

- Obtain more followers than the other candidates
- Win over followers during levels
- Make a presence in the leaderboards

Rules

1st 30 Lvl

First levels are Trump and Bernie Lvl 1-6

2nd Set of levels are Trump vs Hillary Lvl 7-15

3rd Set of level are Trump vs Hillary & Bernie Lvl 16-30

Every 4 levels you get 1 random power-up

- Player and other candidates win over followers
- To win you must fill your follower meter to full faster than the other candidates
- You may use power ups to make the other candidates lose followers, gain followers slower, and various other effects
- Player taps speech bubbles, tapped speech bubbles fill up green (if tapped by player) based on how many taps and size of the bubble.
- Speech bubbles that have been filled a color disappear and grant the candidate followers based on size of the bubble
- Candidates are also filling up speech bubbles with their own colors
- You can attempt to steal a candidate's targeted speech bubble by filling in your color before they fill in theirs
- Stealing a speech bubble in this way grants you an additional +2 followers, and subtracts 2 followers from whoever targeted the follower
- There are 3 total speech bubble sizes, large, small, and medium
- Large speech bubbles grant +5 followers when filled or "popped"
- Medium speech bubbles grant +3 followers when filled or "popped"
- Small speech bubbles grant +1 follower when filled or "popped"
- Large speech bubbles require 5 taps to fill or pop
- Medium speech bubbles require 3 taps to fill or pop
- Small speech bubbles require 1 tap to fill or pop
- The level ends when a candidate fills their follower meter to max
- All candidates need a total of 100 followers to fill their follower meter to max
- Power-ups can be used during game play only
- Power ups can be earned based on completing various levels over time or by purchasing them
- When a power up is used by any candidate all candidates stop gaining followers during the attack animation and effect

Power-ups

- **Fart-Poisons** the other candidates forcing them to require 2 additional taps to claim a follower
- **Offensive Slur-Distracts** the targeted candidate, forcing them to lose 20 followers
- **Bitch Slap-Shows** how weak the targeted candidate is, speech bubbles that were being filled by that candidate are instead transformed into the user's color
- **Political commandment-When** activated all small speech bubbles are immediately filled by the user
- **Flaunt money-when** activated user will shoot money from a white cannon attached to their groin, all large speech bubbles become small but are still worth 5 followers, the speech bubbles have a money icon within them while under this effect
- **Hammer of shame-stuns** targeted candidate freezing their follower meter, candidate is frozen like this for 3 seconds
- **Extreme Violence-unleashes** a candidate's specific attack against another specific candidate, swaps followers with target.
 - ---Extreme violence examples: **Donald Trump** vs hilary: Donald starts rapidly slapping hilary's breast, in rapid succession, while she cusses and demands him to stop(Might CHANGE)- looking for something extreme
 - ---Extreme violence examples: Donald trump vs **Bernie**: Donald runs towards Bernie sanders and does a drop kick shoving Bernie off the stage as rainbows push Bernie back on stage
 - ---Extreme violence examples: **hilary** vs Donald: Hillary makes a call on her phone and men in black come and kidnap Donald trump, as he cusses at them and struggles

- ---Extreme violence examples: hilary vs bernie: Hillary walks over to Bernie sanders does the splits and punches him in the groin, and puts on black shades akin to johnny cage from mortal kombat
- ---Extreme violence examples: bernie vs Donald: Bernie sanders throws a cannabis leaf ninja star at Donald, and trees rise from under the stage penetrating Donald trumps anus, as he cusses and makes a silly face
- ---Extreme violence examples: bernie vs hillary: Bernie sanders runs towards Hillary Clinton runs up the side of her body, doing a mid air backflip, grabs the stage light and bashes her head in with it
